Each person starts with taking 4 cups, and hide them from their opponents. Then they play each two cups at the time, showing the other players what they are playing. If switching a cup, must use that cup. Best hand of the moment wins and gives one point, which balances towards zero. There should always be an unplayable number of cups left, and they can reduce the points of whoever won. True cups trump wild cups. Wild cups always give the best outcome. Best hands are: 5 different, 1 only, 5 same, 4 different, 4 same, 3 different, 3 same, 2 pairs, 2 same. Not everyone agrees on those and it can get pretty rowdy.

7225	### ᑦ ᑦ ᑦ	Flad hayol	ᑦ ᑦ ᑦ	Flaadhayol	Storytime	Literally Of the campfire tales. It’s a well known forced time for getting told a story when you have to “eat” the story as you are fed fire warmed soup and the likes. It’s really a top down, one ended conversation, and even the teller is aware of it.
7228	### ᑭ ᑦ	Eden	ᑭ ᑦ	Edden	Warm house	Predecessors of green house and hearths, with handle like chimneys and short fire wells that feed heat back towards the centre, it allows the grounds to remain lukewarm while being still outside with sunlight. Due to how difficult they are to design and maintain, especially with having to keep ambers going, only a few are made, but they do allow small plants to grow even as it otherwise snows around.
7228	### ᑭ ᑦ	Lode n	ᑭ ᑦ	Lodden	Wet house, Sauna	It’s also a nice place to go if one actually wants to fight the cold. Similar to the Edden, the Ludden is a circular house with ventilated fire wells with an exterior chimney that acts as a oxygen intake which heats up a stone cauldron that one refills with water or Lu alur devni
